RATTLED!

From all reports there is a bad- + ly rattled prophet in Salt Lake + this morning. His Democratic + advisers are telling him that the + way to defeat the Americans is + + to swing the cold-storage vote to + Nearly Every Building in City + Morris.

+ His Republican advisers are + + equally certain that the Ameri- + + cans cannot be defeated unless + + the reserves are delivered to + + Lynch.

The prophet does not know + which to believe. His revelation + + wires are crossed. He himself + + would not swear that he has any + + direct communication with God + + on this matter (or in any other + +/matter so far as that goes), and + + he has about the worst case of + + rattles that a prophet ever had. +

Probably he has prayed over it, + although it is doubtful if any + + really plous person believes he + + ever thinks of prayer. His mind + + is too full of "co-ops" and "Con- + + solidated Wagons," "Z. C. M. + + I.'s" and "Zion's Savings," tith- + + ing grafts and sugar stocks, and + + with his bitterness for the Gen- + + tiles to permit the entry for a + + single moment of a religious + + sentiment.

The thought that Zion might + + be taken from him and his co- + + laborers of the hierarchy mad- + + dens him. He believes that those + + who would advise him are no + + better qualified to give advice + + these strenuous days than he + + himself. It is as likely he is + + prepared to swing the church + + vote one way tonight or tomor- + + row night as the other. He is + + rattled, rattled, rattled, the + + worst ever.

+ "Yes, he is a badly rattled pro- + + phet with a lot of revelation + + wires on his hands that are bad- + + ly crossed and twisted.

OLD GLORY FLOATS OVER SCHOOLS

Now Flies the Stars and Stripes.

THREE FLAG POLES RAISED PAST WEEK

At Jordan School Interesting Exercises Were Held at Flag Raising.

Flag poles are being placed on the Union given to each. Soon every school building it the city will have "Old Glory" floating over it The teachers and pupils of the Union school The teachers and pupils of the Union school have fallen into line, and are planting a garden of bulba for early spring blooming.

Miss McMillan, principal of the Twelfth school, with her pupils, are determined that no either building in the city shall surpass their's in appearance, so they are doing a deal of vigorous work there. The school board furnished the material and Mr Hail, brother of the lanitress, volunteered his assistance and nished the material and Mr Hall, brother of the janitress, volunteered his assistance and did the calcimining making their's one of the most artistic buildings in the city. The pupils are varnishing the deeks and otherwise as-sisting in improving appearances.

At the Grant School.

At the Grant School.

The pupils of the Grant school are spending their leisure time in scraping their desks, sandpapering, staining and varnishing them. Their ambition is to win the 15 prize offered by the Ladles' Literary ciub for the best kept school building and grounds in the city. In their distribution of flags the G. A. R. sent five to the Fremont school. These were disposed of by lot to the various rooms. The fortunate once being numbers 3, 4, 5, 8 and 9. Mr. Charles Fletcher, Janitor of the Fremont, injured his foot a few days figo while helping to move the plano, and is confined to his home while it is healing.

Prof. Wiss of the university is organizing an extensive course class in second year German, to meet one evening each week. Teachers should take advantage of this opportunity. Miss Pollock will so arrange her plans for the next few weeks that she may chaperone Miss Johnson, our new physical education supervisor, in her visits to the various buildings to meet the teachers with whom she will work.

Meeting of Principals.

Meeting of Principals.

The subjects of absences, tardiness and ex-cuses from school to attend matiness were dis-cused with much interest at the principals-meeting on Wednesday evening. Many good suggestions were made for improvement along those lines.

those lines.

At the building meeting of the Grant school on Monday evening Miss Horne, one of the teachers, gave a most interesting litustrated talk on her trip through Europe, which will be continued at their next regular meeting to-

be continued at their next regular meeting tomorrow evening.

Miss Fritch, principal of the Longfellow
school, is quite ill with diphtheria.

Mr. Wetxell agent most of the past week
with the pupils of the Riverside and Fremont
schools. He reports musical progression in
all the grades.

Miss Corbett, the sewing supervisor, is now
at home at 357 East Third South street.
One of the most enjoyable features of the
teachers' meeting at Barratt hall last week
was the splendid music furnished by the Imperial Male quartette

Physical Education.

Physical Education.

Physical Education.

Miss Johnson the new supervisor, presented the subject of physical education to the principals in a most interesting and instructive talk at their regular meeting on Wednesday evening. She outlined for them her intended fine of work giving the benefits to be derived from each special feature. There is perhaps as school in our city but that has had some form of callethenics every day heretofore, but there has been little of uniformity in the work, each teacher using such exercises as she deemed suitable. With system in the work one may expect much in the way of improvement. Miss Johnson will begin her work in the schools towards.

Favors Football.

Favors Football.

Last Monday morning an assembly meeting of the students of the high school was called as a sort of celebration of their recent victory over the Ogden team, which resulted in a score of 11 to 0 in favor of Salt Lake, Principal Eaton gave an interesting talk, followed by Dr. Goshen, who addressed them on the "Ethics of Football". He spoke most favorably of the sport and encouraged the boys to become proficiant in the game. The meeting was followed by a few minutes drill on the yell, cheers and high school song in anticipation of the coming game with Pueblo. A call was made for a second team of practice men, and so great was the enthusiasm that fifty volunteers responded on the field in the afterneon. At the Wednesday morning meeting Clarence McPadden, manager of the old invincible team, and Dick Oxiesby, assistant coach, spoke to the boys, giving them some good advice as to the game and its management.

Mrs. Hahn, primary teacher in the Bonneville school, has resigned her position to join her husband, who recently took charge of a bank at Twin Falls, Ida.

Mrs. William Jennings will give a talk to the children of the Emerson school next Friday afternoon on the works of art recently placed in the corridor of that building by the Ladles' Literary club.

Study of the Pilgrims.

Study of the Pilgrims.

The primary grades are making a special study of the Pilgrims, preparatory to Thanksgiving. In this study they are making use of the sand table, paper cutting construction work, and dramatization. In nature study they are anticipating the winter season by its signs and in the study of "Hiawatha's Childhood."

signs and in the study of Travasita's Control of Manual Trateing Parratt reports much progression along his lines of work. There has been a schoral distribution of tools so trat all of the shops are now well supplied, and by the end of next week all the classes will be engaged in wood work. The boys of the Webster school began their first bench work in manual training on Thursday. Each boy is to make a matchage of his can designing, so that no two pieces of work shall be exactly alike. This original work is meeting with great enthuslasm among the boys. boys.

Making Window Boxes.

The manual training boys at the Union school have just finished a set of window boxes for the various reoms of that building, and on them are taking their first lessons in

and on them are taking painting.

Mr. Parratt reports the organization of three mew clauses in manual training at the Lincoln new clauses in manual training at the Lincoln new clauses the past week. Mr. Parratt reports the organization of three new classes in manual training at the Lincoln school during the past week. At the eighth grade Friday programme last week at the Lincoln Dr. Goshen gave the class a most interesting talk on "Responsibil-ties". D. W. Parratt spent Wednesday afternoon with the teachers of Murray, giving them one of his delightful talks on drawing.

Model Corridor Presented.

Model Corridor Presented.

The Ladies' Literary club made a formal presentation of the model corridor, which they had placed in that school, to the Emerson teachers, pupils and patrons on Tuesday afternoon. Talks were made by Mrs Bailey, Mrs Jennings and others.

A class in manual training has been organized in the Twelfth school.

The pupils of the lower grades in a certain school in our city say. "Put an apron over a towel to indicate the long sound." The higher grade pupils in the bame school suggested a "matron" for the same purpose. The Jordan school people showed their patroitism by raising a flag on their building on Friday afternoon, followed by an appropriate programme of speeches and songs.

Superintendent Christensen has been indisposed for several days from an attack of ion-silitie.
